

MBC Update

19th March 2020

Due to the exceptional circumstances we are facing the UK at this time, in connection with the Corona Virus, our Sunday services and weekly church activities will not be taking place until it is safe to resume.

This difficult decision has taken place as a result of both government recommendations and the advice of Baptists Together (our denomination).

We live in a community where many vulnerable individuals are self-isolating. It will be difficult to be isolated, but these measures are for the wellbeing of everyone. We will be especially praying for those who find themselves in this category.

We know that Markyate Baptist Church is not the building, but the people. As a congregation will have to work together to find creative, caring and meaningful ways to stay in contact with each other. This will be achieved via written and verbal communications, Facebook, WhatsApp, the MBC website, and email.

We will do our best to communicate updates, items for prayer, worship, and provide material to use in our Life Groups. We all have a role to play in seeing this happen.

In the days ahead we will do our best to reach and help those in our community who need extra support.

Note: We will still be recording Sunday messages. These will be made available on our church website and via social media.

Our pastor Phillip is available to help in any way he can. His contact details are:
